LANYACHEM
"The Chemistry We Serve"

YAC-HMDSO GENERAL GRADE

Hexamethyldisiloxane

CAS No. 107-46-0

Specifications:

Tests	Specification
Appearance	Colorless transparent liquid
Assay	≥99.0%
Density (20℃)	0.755~0.775g/cm^3
Refractive index (nD^{25})	1.370~1.380

Package: 150Kg/Drum

Application:

- It is used as end capping agent, cleaning agent, and mould release agent mainly in the organic chemical industry and medicine chemical industry.

Storage: Keep away from open flames, hot surfaces and sources of ignition. Keep container tightly closed.

Recommend Shelf Life: 12 months.
